

FULTON COUNTY PUBLIC NOTICE

Fulton County Annual Action Plan for Fiscal Year 2014 of Grant Programs

Fulton County 2014 Annual Action Plan for FY 2014 Community Development Block Grant (CDBG), HOME Investment Partnerships (HOME), Emergency Solutions Grant (ESG) and Neighborhood Stabilization (NSP) Programs Citizen Review (Public Meetings) and Comment Period will begin on October 4, 2013 and ends on November 3, 2013. Submission to the U.S. Department of Housing and Urban Development (HUD) must be made by November 15, 2013. Fulton County annually receives over \$2 million under three formula programs from HUD through the CDBG, HOME, and ESG Programs. These funds can be used to provide improvements and services that benefit all Fulton County citizens, with the exception of those citizens residing within the city limits of Atlanta, Johns Creek, Roswell and Sandy Springs. The national objective of the funds is to improve the living conditions of low- and moderate-income people. As required by HUD, Fulton County must conduct citizen participation meetings and allow citizens to comment on the FY 2014 Annual Action Plan to the Five-Year 2010-2014 Consolidated Plan. The Consolidated Plan requires local governments receiving federal funds directly from HUD, to determine strategies, community needs, long and short term objectives, resources and proposed projects for submission as a combined planning and application document. Public review and comment is required prior to decisions on project funding by the Fulton County Board of Commissioners (BOC). Self-Assessment Needs Survey forms will also be provided for citizen input.
